

From Our President

D for Democrat!

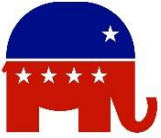

Democrat begins with a D. This is very fitting since so many words that describe Democrats and their policies start with this letter: Dishonest, Devious, Demented, Deceptive, Depraved, Dysfunctional, Distorted, Dumb, Destructive, Delirious, Disastrous, Divisive, Disoriented Today let's focus on their DISHONESTY. Thankfully, since Republicans became the majority in House of Representatives flagrant Democrat dishonesty is finally being exposed. In 2020, COVID was a disaster for our country and world. Democrats knew facts about its origin and transmission, but vehemently lied to **promote their own devious agenda**. First, to protect big government institutions controlled mostly by

Democrats and one of their own, Dr. Fauci, as well as the Chinese Communist Party (which they seem to always admire and defend), they and their major ally (the national Media) would allow only the propagation of the big lie - ----- namely that COVID was not "man-made" but rather a product of nature. If you did point out the obvious truth, namely that the virus escaped from a lab in Wuhan, China, you were made fun of and ridiculed as being an ignorant fool. Now, three years later, the truth is revealed! Both the U.S. Department of Energy and the FBI now openly declare that COVID originated and spread from the Wuhan Institute of Virology. Furthermore, the United States' very own National Institute of Health funded this dangerous research with our money (taxpayer funds)!

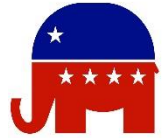

We all know the rest of the story. In 2020, Democrats used masterful DECPTION to achieve their major goal: **to control and coerce the nation's population**. They used fear of COVID to shut down our schools, shut down our businesses, shut down cities and pass gigantic, wasteful spending bills that promote their socialist agenda. It was their dreams come true! They used COVID as a means to dramatically change the nation's voting procedures (again dishonestly) so that Joe Biden became President and the Democrats became the majority in both the House and Senate (2020 until 2022). Their DISHONESTY paid big dividends!

And, of course, their dishonesty continues. They lie about our uncontrolled southern border, Hunter Biden's laptop, the Biden's family's payments from China and Ukraine, etc. Their lies go on forever. One of the worst is their claim that the actions on January 6, 2021, constituted an "armed insurrection" or even an attempted coup. Hopefully, the video recently released by the House and shown by Tucker Carlson on FOX News will go far to dispel this giant distortion of truth. Therefore, let's work hard to support our Republican Party's effort, especially as we near the 2024 Presidential election, to expose the unending Dishonest, Devious, Demented, Deceptive, Depraved, Dysfunctional, Distorted, Dumb, Destructive, Delirious, Disastrous, Divisive, Disoriented lies told by the Democrat Party!

ANNA PEELE COMMUNITY OUTREACH

The Community Outreach donation for September will benefit the Gulf Coast Sexual Assault Program in Circuit 1 (Escambia, Santa Rosa, Okaloosa, and Walton Counties).

Along with other programs, this agency provides “to go” bags to women/girls who have gone to the hospital for assault examinations, as they must leave their clothes as evidence in their case. The “to go” bags provide clothes for the victims to wear home.

Many won't agree with me about this, but I truly believe that Donald J. Trump is the only person who can turn this country around. As much as I love our Governor DeSantis, I'd like him to stay as our Governor for the rest of his term. His time will come, we just need to be patient. *Maddie*

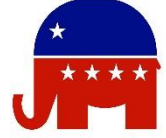

HAPPY EASTER EVERYONE
